

8/15/2017

Dear Pre-K Families,

It's almost time to start the 2017/2018 school year at the Bolinas-Stinson preschool program! We hope you are having a fun and relaxing summer. This year will be full of amazing learning experiences and discoveries. We are so excited to have the opportunity to teach your child and foster growth in their everyday interaction and development. On behalf of everyone at the preschool we would like to thank you for your patience during the process of this new program.

With the ongoing construction of the outdoor classroom, our orientation day will be held on Monday Aug. 28th from 9am-11am (instead of Aug. 21st) located in room 2 on the Stinson Beach Campus so that everyone is able to explore the completed classroom environment and hear about the program schedule. The orientation will provide an opportunity to let parents and preschoolers meet the teachers and their classmates as well as give the children the ability to become comfortable in and explore the new classroom. Parents will be given an informational parent handbook along with an admissions agreement, daily schedule and any additional forms.

Feel free to contact me with any questions or comments you may have. Looking forward to seeing everyone soon!

Sincerely,

Victoria Maier
