Be Safe-Be Respectful-Be Responsible-Be Kind

Dear Bolinas-Stinson School Community,

I want to thank you all for your understanding regarding our need to practice safety measures and various drills. None of us like it, but we have to do it. And I know that it is not easy for many of us. So please take good care of yourselves, love up your kids and keep doing the great and noble work of raising and supporting strong, resilient, well-adjusted children who contribute to and improve our society.

Have a wonderful weekend.

Warmly,
Jason

'We are learning about intaglio printing in mixed media. Etching on to copper plates, students are in the process of making beautiful prints. Local artist and owner of ink.paper.plate, Sirima Sataman, helped us with great instruction and getting oriented with our new little press.' *Janis, Art Instructor*
