 - b) For employees whose date of hire is on or after July 1, 1971, seniority means all hours in paid status as a probationary or permanent member of the Classified service, whether during school year, a holiday, recess, or any period that school is in session or closed. It does not include any hours compensated solely on an overtime basis.
 - c) For employees whose date of hire is prior to July 1, 1971, seniority will be determined by date of hire.
 - d) If two (2) or more employees subject to layoff have equal seniority, the determination as to who shall be laid off shall be made on the hire date seniority with the employee hired first being retained and if that is equal, then the determination shall be made by lot.
- 12.2 When a layoff of classified employees is anticipated by the Administration at least seventy-two hours (72) before any Board action is taken on layoff of classified employees, the District shall notify CSEA in writing by District mail of the proposed action. With such notification, the District will provide CSEA with an updated seniority roster for the classification in which the layoff is anticipated, a list of positions and/or hours to be reduced or eliminated and any documents supporting the need for layoff. Upon request, the District shall meet with CSEA to negotiate on the effects of the proposed layoff.
- 12.3 Employees may challenge their place on the seniority roster by making objections to the Superintendent and/or Principal who shall review the objections and conduct an audit if requested and make the results known to CSEA and the employee(s) prior to the effective days of any layoff(s) involving such employee(s).
- 12.4 After a Board action has been taken on a layoff, a written notice of layoff shall be sent by certified mail to affected employees, to their last address given to the District, no less than sixty (60) calendar days prior to the effective date of layoff. A termination interview with the Superintendent may be scheduled during normal

working hours, if requested by the employee. A copy of each notice shall be concurrently sent by District mail to the President of the CSEA local chapter or designee; such notice shall indicate the layoff effective date and inform the employee of his/her displacement rights, if any, and reemployment rights.

12.5 Displacement (Bumping) Rights

A permanent classified employee who is laid off from a classification and who as previous service in an equal (same salary range) or lower classification shall have the right to displace (bump) an employee with less seniority in that classification. Seniority, for the purpose of bumping, shall include the total of the previous service in the equal or lower classification, plus service in the classification from which layoff occurs and in higher classification(s). In order to exercise his/her bumping rights, the employee must notify the District within ten (10) calendar days of receipt of the layoff notice. A permanent employee who has been laid off for lack of work or lack of funds and who has no bumping rights may accept a voluntary demotion to a vacant position in a lower classification or transfer to an equal classification, provided that the employee is qualified to perform the duties thereof. Such employee shall maintain his/her reemployment rights as defined in this Article.

12.6 Substitute or short-term employees

No regular employee shall be laid off from any position while employees serving in a substitute or short-term capacity in positions of the same classification are retained unless the employee to be laid off declines the substitute or short-term assignment.

12.7 Reemployment Rights

- a) Laid off employees are eligible for reemployment in the classification from which laid off for a thirty-nine (39) month period from the effective date of layoff and shall be reemployed in the reverse order of layoff, as vacancies become available.
- b) Laid off employees who, at the time of layoff, took voluntary demotions or voluntary reductions in assigned time shall be at the employee's option returned to a position in their former classification or to a position with increased assigned time as vacancies become available, and for a period of sixty-three (63) months from the effective date of layoff. Such employees shall be ranked in accordance with their seniority on the reemployment list(s).
- c) An employee who is laid off and is subsequently eligible for reemployment shall be notified in writing by the District of openings(s). Such notice shall be sent by certified mail to the last address given to the District by the employee. A copy of each notice shall be sent concurrently by District mail to the President of the CSEA local chapter. If an employee cannot be contacted within seven (7) days, the next employee in order of seniority will be offered reemployment. The employee who could not be contacted shall not be denied continued rights to future employment.

- d) An employee on a reemployment list shall have seven (7) calendar days to respond to an offer of reemployment from the date of its receipt. Any acceptance by such employee of an assignment to a classification lower than the classification from which he/she was laid off or to the same classification but with fewer hours shall not affect his/her original thirty-nine (39) month rights to reemployment in his/her former classification and with the same number of hours.
- e) An employee given offer of reemployment does not need to accept reemployment to maintain his/her eligibility on the reemployment list provided the employee notifies the District of his/her refusal of reemployment within seven (7) calendar days from receipt of the reemployment offer. If the employee accepts reemployment, he/she must report to work within fifteen (15) calendar days following receipt of the reemployment offer unless a later reporting date is indicated on the reemployment offer.

- 12.8 Seniority earned to and including the effective date of layoff shall be reinstated to the employee who is subsequently reemployed by the District. Step placement on the salary schedule shall be the same as on the layoff date.
- 12.9 Sick Leave hours earned and unused at time of layoff shall be restored upon reemployment.
- 12.10 Vacation and compensatory time earned and unused at the time of layoff shall be computed and paid off with the final warrant due the employee.

GRIEVANCE PROCEDURE

15.1 Definitions

- a) A “Grievance” is an allegation that the grievant has been directly and/or adversely affected by a misinterpretation, misapplication or violation of this Agreement.
- b) A “Grievant” may be an employee, a group of employees covered by this Agreement and/or the Association.
- c) A “work day” or “business day” is a day when the District office is open for business.
- d) “Immediate Supervisor” is the lowest level administrator who has been designated by management to adjust grievances and who has immediate jurisdiction over the employee grieving.

15.2 Purpose

- a) The purpose of this procedure is to secure, at the lowest possible administrative level, equitable solutions to grievances.
- b) Nothing contained herein shall be construed as limiting the right of any member having a grievance to discuss the matter informally with any appropriate member of the administration, and to have the grievance adjusted without intervention by the Association, provided that the adjustment is not inconsistent with the terms of this Agreement and that the Association has been given the opportunity to review the proposed resolution and to file a written response. Any disagreement concerning whether the settlement is inconsistent with the terms of this Agreement shall be subject to this grievance procedure.
- c) Since it is important that grievance be processed as rapidly as possible, the time limits specified at each level should be considered to be maximums and every effort should be made to expedite the process. The time limits may, however, be extended by mutual agreement, in writing.
- d) The Association may initiate a grievance that affects more than one employee of the bargaining unit, at step 2 of this Grievance Procedure.
- e) The grievant may be represented by the Association or any individual of his/her choosing at the informal discussion or at any step of the grievance procedure except at the Arbitration level where the Association shall be the representative.

15.3 Procedure

- a) Informal conference: When an employee has a grievance, the employee or representative should first discuss the matter to seek informal resolution with the administrator or supervisor with immediate responsibility for the position to which the employee is assigned within twenty (20) employee working days of the action giving rise to the grievance, or end of the school year, whichever is longer.”
- b) Step One: If the informal conference does not resolve the matter to the grievant’s satisfaction, the grievant, directly or through a representative may submit the grievance formally and in writing to the immediate supervisor. The statement shall be a clear, concise statement of the grievance, the specific section of the contract alleged to have been violated, the circumstances involved, the decision rendered at the informal conference, and the specific remedy sought. The employee shall be entitled, if so desired, to a meeting on the matter within five (5) work days of submission. The immediate supervisor shall have ten (10) work days to submit a written decision to the grievant, from date of receipt of the grievance.
- c) Step Two: If the grievant is not satisfied with the decision at Step one, or if no written decision has been rendered within ten (10) days from date of receipt, the grievant may file the grievance in writing with the District Superintendent within ten (10) days of receipt of the decision at Step one, or ten (10) days of the deadline to receive the decision, if no written decision has been rendered. A copy of the grievance shall also be sent to the President of the Association. Within ten (10) days after the receipt of the written grievance, the Superintendent or his/her designee shall meet with the grievant in an effort to resolve the matter.
- d) Step Three: If the decision at Step Two is not satisfactory or if no written decision has been rendered within the ten (10) work days after meeting with the Superintendent or his/her designee, the grievant may request in writing to the Association that the grievance be submitted to Mediation. The Association shall have ten (10) work days from receipt of the grievant’s request to determine if the grievance should be submitted to mediation and to notify the District if it decides to proceed to mediation.
- e) A Mediator shall be obtained from the California State Mediation and Conciliation Service who will meet with the parties in an effort to resolve the grievance. If mediation is unsuccessful, the Association has ten (10) work days from the last mediation session to notify the District it desires to proceed to Arbitration.
- f) The District and the Association shall select a mutually acceptable arbitrator if a mediation step is not acceptable or if it is unsuccessful. Should they be unable to agree on an arbitrator within ten (10) work days of the Association’s submission of the grievance to Arbitration, they shall request a list of five (5) arbitrators from the California State Mediation and

Conciliation Service from which the parties shall alternately strike names to arrive at the agreed arbitrator. The party to strike first shall be chosen by lot.

- g) The arbitrator shall not consider any matter outside the scope of the grievance as defined in this policy, shall confine the decision to the precise issue submitted, and have no authority to make a recommendation on any other issue.
- h) After the close of the hearing, both parties shall have an opportunity to submit written arguments.
- i) The decision of the Arbitrator shall be accepted or rejected by a vote of the Board within fourteen (14) days of the Arbitrator's decision.
- j) The fees and expenses of the arbitrator and a court reporter, if required by the arbitrator, shall be shared equally between the District and the Association. Each party shall bear its cost of representation.
- k) Nothing in the foregoing shall be construed to empower the arbitrator to make any decision amending, subtracting from or adding to the provisions of this agreement.
- l) When it is necessary for a representative designated by the Association to attend a grievance meeting or hearing during the day, he will, upon notice to his principal or immediate supervisor by the President of the Association, be released without loss of pay in order to permit participation in the foregoing activities. The grievant and all necessary witnesses shall be accorded the same right.

- b) All documents, communications, and records dealing with the processing of a grievance will be filed in a separate grievance file and will not be kept in the personnel file of any of the participants. Support documents originally contained in personnel files will be returned to the files unless eliminated by the grievance procedure.
- c) Failure at any level of this procedure to communicate the decision in writing on a grievance within the specified time limits shall permit the grievant to proceed to the next step. Failure at any step of this procedure to appeal a grievance to the next step within the specified time limits shall be deemed to be acceptance of the decision rendered at that time. Forms for filing grievances, serving notices, taking appeals, and other necessary documents shall be prepared jointly by the Superintendent and the Association so as to

facilitate operation of the grievance procedure. The costs of preparing such forms shall be borne by the District.
District will maintain a tracking form for grievance processing attached as Appendix G.
