

11/28/2018 Update from Janis Yerington, After School Coordinator

Hello,

I hope this email finds you well!

The Square Dance is this Saturday at 6:30 at the BCC. It is a fundraiser for the School Foundation. We are so grateful to the Foundation for providing support and scholarships for the After School Program.

Attached is an updated schedule for our After School Program. Our classes have been great and will continue on in the new year. I wanted to point out a few new offerings. Cooking will start on December 11th with our celebrity chef, Nissa, in her professional home kitchen, grades 5-8. Spanish is in a rotation for second and third graders right now. Clay meets on Tuesdays and Thursdays. If your child wants to learn an instrument, Anny's group lessons on Tuesday is ideal. We are looking forward to a Radio Program at KWMR starting soon!

Sincere thanks to all our wonderful, giving teachers, our inspiring students and their loving families

If you have questions, please email the teachers direct.

Hug your loved ones tight and enjoy this season.

Warm best,

Janis
