August 2, 2017

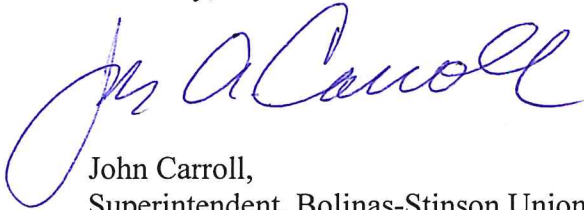

Dear Pre-K Parents,

We are delighted that your family will be part of the Bolinas-Stinson School Pre-K program in its inaugural year. This is a pivotal moment in our school's history and it is thrilling for all of us to be a part of it. The new preschool is the culmination of years of research, planning and commitment to success for all students in our community. We hope you are looking forward to a successful launch as much as we are.

As with any new project, we are staying flexible as we encounter challenges and questions that are part of any uncharted journey. At the moment we are waiting for a final state licensing inspection. While staffing, facilities and administrative requirements are (or will be) completed before school opens, the inspection date is not under our control and may delay the opening of the program. Our hope is that this happens soon enough for us to open as planned. However, it is important that our staff and families are ready for the possibility of a slight delay. As soon as the licensing agency provides us with all the information we need to finalize our opening date, we will let you know. Unless we hear differently, we will adhere to our plan to open during the week of August 23.

Thanks again for supporting the Pre-K program and for working with us to make sure it has a smooth start.

Sincerely,

John Carroll,
Superintendent, Bolinas-Stinson Union School District
