Beginning of the year in the library

Welcome back! I have been reviewing basic information about the library with your students, and it is handy for you to have as well.

- Students can have 4 books checked out at any one time
- Books are checked out for 2 weeks and can be renewed (or returned early)
- Books can be returned to the library, bus drivers, classrooms or school office any time, not just on library day

We have an excellent library collection, and are always happy to improve by buying books that students love. If your child is charging through a new series please let me know. You are welcome to come in and browse our shelves.

We also have a good collection of books for parents on a variety of useful topics.

Drop by for a visit!

The school library is delighted to support David van Leeuwen's literacy efforts in Myanmar.

We are looking for 20-30 lbs of beginning reading books to send with him this year. What better way to clear your shelves? Please, only donate books in excellent condition, paperback and hardback both welcome. Donations can be dropped off at the school library.

Many thanks, Grace

3 easy ways to pay for student meals:

- go to our website, bolinas-stinson.org and pay online. We encourage parents to use this service as it is convenient and offers an email reminder when your child's funds are getting low. Please call 868-1603 or email Kara at karap@bolinas-stinson.org for your child's student id #. You can then click onto the Mealtimes icon and set up an account with funds. If you need assistance call 800-755-0904
