What's Going On...April 28, 2017

Be Safe~ Be Respectful~ Be Responsible~ Be Kind

Dear Bolinas-Stinson School Community,

There will be another opportunity for community input on our configuration conversation (specifically the location of the 1/2 classroom) at a special board meeting next Tuesday, May 2nd at 3:15 in the middle school. The reason for the early start time is that this meeting has been set up for the board to hear from staff as well. This meeting is for discussion and input, no voting will take place at this meeting. I encourage anyone who wants to provide more input on our configuration conversation to come to the meeting. Additionally, your emails, letters, phone calls or a private meeting with me are certainly welcome. Please don't hesitate to let me know exactly what your concerns are—the more specific the better. Thank you.

OPEN HOUSE MAY 10:

I am very pleased to announce that Bolinas-Stinson School is beginning a new tradition this year. We are having our first annual Open House on May 10th from 6:30-8:00pm. This event is a casual opportunity to come with your children to see all the great things we are doing in our homerooms. It will not be a formal presentation like Back to School Night, it is designed to give you a chance to walk through homerooms, see what is on display and engage with other families and the teachers. It is also a perfect chance to visit the classrooms and teachers which your child will experience in the future. Please come on out.

May Day was a hit:

Thank you to all of you who participated in May Day this year. It is great to see the school community involved in our celebrations. It is one of the really sweet events we put on at our school. Thank you to Cathy and Lauren for all their work.

Have a wonderful weekend.

Warmly,
Jason
