## Fiscal Oversight Facilities Planning Advisory Committee Survey Results Summary

	Question	Page	Overall Rating	Number Of Comments	Respondent Comments (in part)
E	Parking		Satisfactory		
F	Security		Satisfactory		Parents & community often appear on campus w/o permission.
G	Storage		No Comment		
H	Restroom		Satisfactory		
Q30	List specific improvements you'd like to see in your instructional space.	69	N/A	21	(See below; comments categorized by topic)
	• Buildings				(1) Windows that open/close; (2) wall surfaces painted in color (not white/beige)
	• Display Areas				More areas for student work.
	• General Comments				(1) "improvements as needed"
	• Lighting				(1) Lights that don't buzz & emit so much glare; (2) Better lighting
	• Music Room				Lights & heater that don't buzz; new classroom PA system
	• No comment				
	• SB Facilities				Floors are uncomfortable/cottage lighting/"do not disturb" sign when in use.
	• Science Lab				"We need one"
	• Storage				(1) more; (2) alternatives to lockers in classroom
	• Technology				(1) Need updated tech; (2) white boards in Don's room; (3) Smartboard & mounted doc projector in classroom; (4) teaching wall/wired for wi-fi/tablets or iPads.
Q31	What structural changes (in use of space and/or improvements) would you like to see in the district?	70	N/A	21	NOTE: Responses are categorized in order of topic mentioned & comment is fully represented (with minor edits for space considerations).
	• Art Shops/Gymnasium/Science Lab			1	"New art shops, gym, science lab, improved tech; expand the Stinson campus"
	• Gymnasium			1	"(want one)"

## Fiscal Oversight Facilities Planning Advisory Committee Survey Results Summary

	Question	Page	Overall Rating	Number Of Comments	Respondent Comments (in part)
	• Gymnasium/Multipurpose Room			3	(1) "Gym for sure. If Ques is replaced, then acoustically outfitted, well-situated (in terms of audience viewing & student accessibility), performance/dance space; outdoor amphitheater for assembly; outdoor classroom & play spaces"; (2) "There is a need for a larger multipurpose room that could double as a small gym & performing arts space"; (3) "Two-story gymnasium/multipurpose room with a stage".
	• Gymnasium/Performing Arts			2	(1) "An indoor gym that could be used for performing arts and/or community events"; (2) "Gymnasium that serves also as a performing arts space"
	• Gymnasium/Science Lab			2	(1) "Yes! Gymnasium with science labs!!!!!!"; (2) "We need a gym!!!!!! A science lab would also be pretty great"
	• No comment			3	
	• Outside Teaching Area			1	"School garden and outside teaching area"
	• PE Facilities/Services			1	"Better PE facilities; better/more room for services (speech, counseling, etc.)"
	• Performing Arts/ Gymnasium/ Science Lab			1	"Performing arts space, gymnasium, science lab"
	• Performing Arts/Display/Storage			1	"Suitable space for performing/artwork display; more PE equipment storage & office materials"
	• Performing Arts/Gymnasium/ Library & Tech			1	"I would like to see a performing arts space and gymnasium. Also merging of library with tech lab so as to gain the best of both worlds"
	• Performing Arts/Gymnasium/ Science Lab			1	"A stage in the Quesada, science lab, gymnasium"
	• SB Campus/Gymnasium			1	"Additional SB classroom/science lab/improved library & media center; gymnasium"
	• Science Lab/Tech & Library			1	"(want one). Combine library with tech lab & media center"
	• Tech Lab			1	"Uncluttered computer lab"
	• Tech Lab/Gymnasium/ Multipurpose Room			1	"Computer lab needs more space- to grow, to accommodate digital arts; new gymnasium/multipurpose room"

## Fiscal Oversight Facilities Planning Advisory Committee Survey Results Summary

	Question	Page	Overall Rating	Number Of Comments	Respondent Comments (in part)
Q32	Explain any future facility needs for CURRENT programs	71	N/A	21	NOTE: Responses are categorized in order of topic mentioned & comment is fully represented (with minor edits for space considerations).
	• 6th Grade Classroom			1	"Another classroom space for stand-alone 6th grade"
	• Breakout Space			2	"more space for small group instruction"
	• Breakout Space/Gymnasium			1	"More breakout spce, gym"
	• Middle School Display			1	"The MS would like to build a structure behind the MS building where we can assemble/display a large whale skeleton"
	• Multipurpose Room			2	(1) "A better multipurpose room; an area for meetings"; (2) "Use of MP room in bad weather is difficult to prioritize"
	• No comment			10	
	• SB Campus			1	"Move lunch area for K/1/2; install new drinking fountain; move coat hooks"
	• Science Lab			1	"Science lab for middle school"
	• Storage			1	"We must provide additional storage for current programs."
	• Technology			1	"Smartboard or mounted doc projector in Quesada for use with large groups (e.g. when art shop teachers do a whole-class project)"
Q33	Explain any future facility needs for NEW or EXPANDED programs.	72	N/A	21	NOTE: Responses are categorized in order of topic mentioned & comment is fully represented (with minor edits for space considerations).
	• Breakout Space			1	"SB campus needs better facilities for art & pull-outs"
	• Classroom- Additional			1	"We need a classroom for a pre-K/TK program"
	• Multipurpose Room			3	"The Quesada as it stands is not an adequate or convenient space for events, nor for frequent or continuous use as an instructional space"
	• No comment			12	
	• Outdoor Classroom/Play			1	

## Fiscal Oversight Facilities Planning Advisory Committee Survey Results Summary

	Question	Page	Overall Rating	Number Of Comments	Respondent Comments (in part)
	• Performing Arts/Science Lab/Preschool Classroom			1	"Performance space; science lab; preschool for all facility site (should that become a state mandate)/permanent home for SB Preschool program"
	• Security			1	
	• Teacher Work Area/Breakout Space			1	"Common space for teachers; additional, flexible breakout spcae for reading & other small group academics"
Q34	Explain any future outdoor facility needs not indicated in survey.	73	N/A	21	NOTE: Responses are categorized in order of topic mentioned & comment is fully represented (with minor edits for space considerations).
	• Eating Area			2	(1) "Nicer eating area"; (2) "A covered outside eating area would be useful"
	• Food Farming Program/ Outdoor Amphitheater			1	"Science in the garden- food farming program/storage/learning sites; outdoor amphitheater. Investigate working with a collective of farmers/land stewards & env orgs to explore purchasing Weber's surrounding fields for a school farming program & future building site (in case of flooding).
	• Garden/Outdoor Classroom			3	(1) "Functioning garden; (2) "School garden facility-storage/toll shed & outdoor kitchen/classroom"; (3) New fenced-in terraced garden on south end of 1/2 classroom to replace current garden (assuming portable is placed there)"
	• Gymnasium			1	"Gym"
	• Lost/Found Items			1	"A more organized area for lost/found clothing"
	• No comment			9	
	• Outdoor Classroom/Play			3	(1) "Shady spots for kids on playground would be wonderful"; (2) See Green Team literature/survey re: outdoor play & learning spaces"; (3) "We live in such a beautiful place, an open air classroom space avail as breakout space would be a wonderful addition"

## Fiscal Oversight Facilities Planning Advisory Committee Survey Results Summary

	Question	Page	Overall Rating	Number Of Comments	Respondent Comments (in part)
	• Performing Arts/Science Lab/Preschool Classroom			1	"Performance space; science lab; preschool for all facility site (should that become a state mandate)/permanent home for SB Preschool program"
Q35	What is not necessary? Excessive? Could anything be eliminated as a trade-off for improvements?	74	N/A	21	NOTE: Responses are categorized in order of topic mentioned & comment is fully represented (with minor edits for space considerations).
	• (Current) Art Shops			1	"Get rid of current art shops, create new ones"
	• Bus Service			1	"Bus service"
	• Campus Consolidation			1	"Maybe someday we could all be on the same campus"
	• Can't Comment			1	"I can't comment on this until I see the proposed plan for improvements"
	• Everything EXCEPT . . .			1	"I'd give up practically everything EXCEPT: new windows & blinds on the SB campus and a gym on the Bo campus"
	• No comment			12	
	• Quesada			1	"If the Quesada were remodeled/rebuilt to accommodate music/performing arts, we would regain a classroom where there could be a separate & needed 6th grade classroom"
	• School-funded Gymnasium			1	"School-funded gymnasium would be excessive"
	• Storage			1	"Often we purchase more storage (like container behind maintenance shop) but do not use what is being housed; let's not just add more storage but be selective about what we are housing"
	• Tech Lab			1	"A stand-alone tech lab that is occupied for only a few periods a week seems excessive/computers could be in the classrooms"
Q36	Compared to schools where you have worked or visited, does this facility work well? Why or Why Not?	75	N/A	21	NOTE: Responses are categorized in order of topic mentioned & comment is fully represented (with minor edits for space considerations).
	• Can't Compare			1	
	• Doen't Work			1	"No, other school's facilities seem to run better, but we have location and wonderful students/staff and community"

## Fiscal Oversight Facilities Planning Advisory Committee Survey Results Summary

	Question	Page	Overall Rating	Number Of Comments	Respondent Comments (in part)
	• Needs Work			2	
	• No comment			8	
	• Works Ok			1	
	• Works Well			8	
Q37	Other Comments/Suggestions/ Concerns	76	N/A	12	
	• Communication/ Disaster Preparedness			1	"It is important to keep the communities involved in the ongoing process for planning for the future. Disaster preparedness is vital in this time of uncertainty as a result of global climate change."
	• Landscaping-Outdoor Classroom			1	"We would like to have native plant landscaping that is functional as an outdoor classroom. We'd like to be involved in the selection & planning phases on the landscaping."
	• Love Letter			1	"I love our school & community. So happy to have a voice! Thank you for creating this survey. Please know that there is a great satisfaction level among staff! We love working here."
	• No comment			8	
	• Security/ Disaster Preparedness			1	"Each room should have a phone/intercom so that, in case of emergency, a message can be sent to every classroom at the same time."
